

Description

Aventura brings to you an extensive range of multiport valves innovatively designed for the customer's convenience. These easy to handle and simple to operate multiport valves also provide excellent seal capability preventing any internal leakage. Economically priced, these valves have long-term reliability and a long shelf life. By simple clockwise and anticlockwise rotation of a single-lever, multiple functions such as filter backwash, brine injection, slow rinse, fast rinse, brine rinse and back to service mode can be performed.
